

# A LEGACY OF IMPACT

One person with conviction can change countless lives. Billy Graham said, "A coach has the opportunity to influence more people's lives than most others do in a lifetime."

Coach Tom Landry is just one coach that has left a Godly impact on coaches, players, and communities that has spanned decades.

In North Alabama, the Fellowship of Christian Athletes (NAL FCA) is blessed with Coaches that are touching lives, and impacting athletes with the power of Jesus Christ on a daily basis by being Godly role models for their players.

They share their faith which strengthens and encourages young men and women to be the best they can be, both on and off the playing field.

God is moving on the **44 campuses** in our four counties - Limestone, Morgan, Lawrence, Winston - with record participation and commitments to Jesus. Your investment will help us touch more lives, impacting coaches and athletes with the life-changing message of Jesus Christ on our campuses.

"FCA was a major part of my collegiate life; it kept me grounded in my spiritual life. Today, FCA continues to encourage and inspire me in God's Plan for my coaching career."

**COACH NANCY KEENUM, Athletic Director**  
Softball Coach, Cahoon Community College

"FCA was once called the best kept secret in America. I think people are beginning to recognize the great value FCA has. But I think now we have reached a point where it is much more visible. People are beginning to recognize the great value FCA has in presenting a different lifestyle on the campuses of our high schools and junior highs. We need role models, and I believe an athlete is the best role model in the country. As long as that's true, I think we (FCA) can have an impact."

**TOM LANDRY**

"FCA is needed more than ever in our schools today. With a long history of developing leaders, FCA can be that positive influence that we so desperately need for both our coaches and students."

**DARRIS FROST, Leadership Board Co-Chairman**

"As a veteran coach in North Alabama, I can honestly say that FCA has impacted me since 1984 as a college baseball player who had no clue about spiritual matters, and now, by helping me encourage students to be spiritual leaders. FCA goes above and beyond the call."

**COACH MATT STOCKMAN,**  
Coach, Athens Middle School

"FCA gives us an excellent opportunity to engage countless student-athletes in the message of Christ, and keep them focused on the one everlasting victory that will never pass away."

**RICHE SPARKMAN, Leadership Board Co-Chairman**

## COACHES MINISTRY

At the heart of NAL FCA are our coaches. We minister to them by encouraging and equipping them to know and serve Jesus Christ through Coaches Bible Studies and Coaches Clinics to help meet the needs of our Coaching Staffs.

## CAMPUS MINISTRY

NAL FCA currently has Huddles on junior high, high school and college campuses that includes Huddles, Team Bible Studies, and Chapel Programs.

## CAMP MINISTRY

Coaches and athletes experience FCA Camps which provide a time of "inspiration and preparation" to reach their potential by offering comprehensive athletic, spiritual and leadership training.

## COMMUNITY MINISTRY

NAL FCA reaches the community through partnerships with local churches, businesses, parents and volunteers that allow the community to invest in athletes and coaches and make our annual events and ministry possible.
